Celebrating 20 Years of ACS

ACS is 20 years old! We're celebrating this milestone with a game of "20 Questions" with our amazing ACS team!

Scarlett Boudier, President

1 What's your philosophy for life?

You Don't Give to Get!

2 Best book you've read lately?

The Widow Cliquot—the story behind Barbe-Nicole Cliquot, one of the world's first business women.

4 Favorite watering hole?

5 One public policy you'd change?

Anything related to protecting the purpose and value of traditional K-12 public schools.

6 What made you choose your career path?

I've been fortunate to work on a host of amazing issues and topics and the common thread is fighting for the rights of individuals and communities that typically don't have the resources or access to advocate and exercise their own power. I grew up in one of those communities and during the tough moments, I promised myself to do whatever I could to never have those experiences and help others do the same.

7 A favorite mentor?

Mike Thomas—Studying communication and political strategy under his tutelage changed the trajectory of my career.

8 Rock, rap, or country?

Old school rap for sure.

9 Dogs vs. cats: who rules and who drools?

I'm an odd ball and don't have any pets.
